Traffic Services Ltd. and Halco Limited (of the capital
stock of which company 20% is held by the City of Halifax

PRIVY COUNCIL

The Committee of the Privy Council have had
before them a report from the Minister of Veterans
Affairs, representing:

That The Director, The Veterans' Land Act,
owns property comprising three acres of land with a
house and other improvements located at Fall River West,
in the Province of Nova Scotia;

That the cost of the property to the Director
has been calculated at \$8,401.18;

That the Director sold the property to John Snow,
a qualified veteran, on terms consistent with the Veterans'
Land Act, in September, 1967;

That the veteran later became separated from his
family and executed a Quit Claim Deed, releasing all his
interest in the property to the Director;

That the Agreement for Sale between the veteran
and the Director was consequently rescinded on August 21,
1968;

That the property requires certain additional
improvements which the Director intends to effect at a
further cost of \$2,989;

That the property has been advertised and the
Director has received an offer of \$11,242.02 from Jean
Charlotte Snow, the veteran's wife, who still occupies
the property;

That the proposed sale price equals the debt
remaining payable by the veteran at the first day of
March, 1969, and the cost of the required additional
improvements; and

That the Director, with the consent of the veteran,
recommends sale of this property, including the additional
improvements, to Joan Charlotte Snow at the price aforesaid.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to section 23 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve the sale of the property identified in a Deed registered as No. 16923 in Book 2189, Pages 470 to 472, of the records of Halifax County, Province of Nova Scotia, to Jean Charlotte Snow for \$11,242.02, payable by monthly instalments during a maximum period of 24 years with interest at 5 per cent per annum.

of the Privy Council, approved by His Excellency the Governor
General on the 15th April, 1969.

The Committee of the Privy Council have had
before them a report from the Acting Minister of Transport,
representing:

That in connection with the Department of Transport
requirements for an I.L.S. Middle Marker Site at the end of
Runway 10 at the Seven Islands Airport, Quebec, an Exprop-
riation was filed on October 12th, 1961, affecting the
property of Ferco Limited;

That the Department's requirements over the
property affected, in all, approximately 10 acres of land,
0.17 of an acre, more or less, being acquired outright for
the Middle Marker Site and the remainder of the land being
affected by various servitudes for access rights, clearing
rights, underground cable and approach lighting rights;

That over the years since the expropriation date
we have been endeavouring to effect a settlement with the
property owner but all attempts have failed because of the
large difference between the owner's asking price of
\$25,000 as compared to the Department's offer of \$1,000;

That it has subsequently been determined by the
officers of the Department that this matter could best be
settled by way of an exchange of properties;

That the Department has 15.8 acres of land in
Lot 15, Range 1, Township of Letellier, Registration
Division of Seven Islands, County of Duplessis, Province of
Quebec, as shown outlined in brown on Plan M-3516 on file

Limited in exchange for our requirements over its property;
and

PRIVY COUNCIL

Certified to be a true copy of a Minute of a Meeting of the Committee
of the Privy Council, approved by His Excellency the Governor
General on the 22nd April, 1969.

The Committee of the Privy Council have had
before them a report from the Minister of Veterans
Affairs, representing:

That paragraph (b) of subsection (1) of section
33 of the Veterans Land Regulations provides that the
veteran will enter into full time occupation of the property
which he contracts to purchase from The Director, The
Veterans' Land Act, and shall continue to reside thereon
during the continuance of the agreement;

That subparagraph (i) of paragraph (a) of subsection
(2) of said section 33 of the Veterans Land Regulations
provides that the Director may approve temporary discontinuance
of the actual residence for a period or periods of time not
exceeding two years in the aggregate during the initial ten
year period following the date of the Agreement of Sale;

That The Director, The Veterans' Land Act is the
registered owner of a property described as Lot 3, Section 14,
Range 7, District Mountain Plan 21104, in the Province of
British Columbia, containing an area of approximately
4.75 acres;

That pursuant to subsection (1) of sections 10 and
65, with effect the 1st of December 1959 veteran Richard
Burton Howell agreed to purchase the aforesaid property from
The Director, The Veterans' Land Act;

- 2 -

That on the 6th of July 1967 the wife of veteran Richard Burton Howell was killed in a car accident, and his death occurred on the 13th of July 1967;

That as of the date of death the veteran and his family had resided on the said property for a period of approximately seven years, seven and one half months;

That Richard Burton Howell died intestate, leaving two minor children, and the affairs of the Estate are being administered by the Public Trustee for the Province of British Columbia;

That under the group life insurance plan carried by the Veterans' Land Act, the balance of the sale price payable has been fully repaid, and there remains only the difference between the cost to the Director and the sale price payable, \$1,400 plus interest thereon at the rate of 3½ per cent per annum;

That the Public Trustee for the Province of British Columbia advises it is impractical for either or both of the minor children to resume residence on the said property for a period of four and one half months to meet the minimum residence requirement of the said regulation; and

That it is deemed advisable to permit the Public Trustee, on behalf of the Estate of the late Richard Burton Howell to make disposition of the property on expiry of the said ten year period, without making further payment in respect thereof.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs advise that Your Excellency may be pleased hereby to approve suspension of the operations of subsections (1) and (2) of section 33 of the Veterans Land Regulations insofar as it relates to the Agreement of Sale between The Director, The Veterans' Land Act, and Richard Burton Howell, now deceased.

new Harrows Bridge which may be accomplished only if the
restrictive covenant in respect of the said parcel of land
is removed;

-- 2 --

That the City has reconveyed the parcel of land in question to the Crown on the understanding that the land would be granted to the City without the restrictive covenant;
